## Voorwoord

Voor U ligt de eerste digitale versie van de bibliotheek catalogus. De laatste papieren versie dateert van 1999 en was nodig toe aan vernieuwing. Voordeel van de digitale catalogus is dat veel frequenter de catalogus aangepast kan worden. De laatste versie is altijd te vinden op [www.chinafilatelie.nl](http://www.chinafilatelie.nl)

De catalogus is interactief, vanuit de Inhoudsopgave kan direct naar de juiste pagina “gesprongen” worden. Klik met de linker muisknop op een van de hoofdstukken en de catalogus opent dan op de juiste pagina.

Boeken in de lijst met Chinese titels of titels tussen haakjes zijn in het Chinees, Japans of Koreaans. In het beste geval hebben deze boeken een Engelse index in de meeste gevallen zijn ze volledig in het Chinees. Houdt hier rekening mee als U zo'n boek wilt lenen.

Dank gaat uit naar de leden die materiaal ter beschikking hebben gesteld voor de bibliotheek en naar de vorige bibliothecarissen, de heren van Doornen en Oranje. Zonder hun inzet en steun was er nooit een bibliotheek van deze omvang tot stand gekomen.

Aanvragen voor boeken kunnen via telefoon, email of brief gedaan worden aan de bibliotheek. Voor adres etc. zie colofon van het bulletin.
